

CHANGE IN FILE STATUS
APPROVAL FORM

DATE April 3, 1987

CURRENT FILE NO. DOE/019/004

RECOMMENDED FILE NO. Closed

COMPANY AND MINE NAME B & L Mining, Cactus Rat Claims

REASON FOR CHANGE IN FILE STATUS

Atlas owns these claims and has a permit with us for the operation (M/019/009). B & L Mining was apparently contracted by Atlas to do some mining in the fall of 1979 and did not realize that Atlas had already filed an MR-1 for the operation. B & L Mining's DOE application was rejected.
